SECRET

2. Mr. Lervold, FBI, offered to obtain information on the Justice Department conference room discussed at the last meeting. He will present his findings at the February meeting. [redacted]

25X1

3. Mr. Johnson, DNA, introduced Mr. William Witter, who will be replacing him as the DNA observer. [redacted]

25X1

4. Mr. Crosher, Department of State, mentioned that the State Department conference room is almost finished. He described the room and noted the improved security over the ones now in use. It will be set up at the State Annex #4 building in Springfield, Virginia, and anyone who wants to look at it will be able to do so. Those interested in inspecting the room should contact Mr. Crosher directly. [redacted]

—25X1—

6. [redacted] Chairman of the Document Destruction Working Group, asked if anyone had a problem he would like to surface for the attention of this Working Group. [redacted] then discussed their work on the destruction of microfiche.
